Great Presenters

MARYLN APPELBAUM is well-known as an outstanding authority on children, education, and families. She has Master's Degrees in Both Psychology and in Education and a Ph.D. in Psychology. She has worked as both an educator and a therapist. Maryln has been owner and headmaster of three educational centers. She has written more than 30 "how to" books geared exclusively for administrators, teachers, and parents. She has been interviewed on television and radio. Maryln is powerful, fun, motivational, and most of all caring as she shares her personal experiences working with children.

MARTY APPELBAUM has spent a lifetime dedicated to his objective to make a profound and positive difference in children's lives. In addition to his Degree and Montessori teaching certificate, Martin has been both administrator and director of child care centers and private schools. He has taught all grade levels from early childhood to high school seniors. He authored two Early Childhood Education (ECE) courses and. His zest for living, unique sense of humor, and personal experiences combined with his concentrated knowledge of child care to make each seminar refreshingly fun and information-packed.

DOUG MEDFORD is an outstanding presenter who has experience both training teachers and teaching young children. Doug's seminars are lively, informative, fast-paced, and filled with ideas that can be immediately implemented. Doug is one of the nation's leading educational humorists. By using humor that is intelligent and inventive, participants actually feel themselves involved in Doug's presentations. He will educate you, motivate you, and make you laugh while giving your child care program valuable tools.
