About ATI

ATI has a 30-year track record of providing awesome seminars at affordable prices. The Appelbaums have written and published more child care related books than anyone in child care. When you take Appelbaum training, you know you will attend a training in which you will laugh and learn and take home strategies you can immediately implement that will benefit you and the children you teach.

Great Presenters

Dr. MaryIn Appelbaum is known across the world for her powerful strategies with students. She is the author of more than 35 books. Her presentations are lively, interactive, and packed with information. MaryIn has a Master's Degree in Education, another Master's Degree in Behavioral Science, and a Ph.D in Psychology. She has more than 30-years experience working on behalf of children. Dr. MaryIn has taught in her own schools that she started from scratch in Houston. MaryIn is a unique and dynamic speaker that shares her experiences in the classroom along with her extensive knowledge and background.
