

Volunteer Documentation Form

Dear Early Childhood Educator:

Thank you so much for your willingness to help with our Appelbaum Training Institute seminar. Today is all about a group of wonderful humans who are more concerned about outcomes than incomes. We want every person in attendance today to know just how much we appreciate the way that they are touching the future, and that includes YOU! For helping us out today, you may choose \$50 in merchandise to use as you see fit.

We appreciate your help!
